## Message from the Vice Chancellor

हिमाचल प्रदेश केंद्रीय विश्वविद्यालय, धर्मशाला धीरे-धीरे अपनी विशिष्ट पहचान स्थापित कर रहा है, यह प्रसन्नता का विषय है। भारत में उच्च शिक्षा और शोध की प्राचीन काल से ही समृद्ध परम्परा रही है। जिन दिनों विश्व के अन्य महाद्वीप ज्ञान की प्रारम्भिक अवस्था में थे, उन दिनों भारत में अंतर्राष्ट्रीय स्तर के तक्षशिला, नालंदा और विक्रमशिला जैसे विश्वविद्यालय स्थापित हो चुके थे। इन विश्वविद्यालयों में पढ़ने के लिए सुदूर क्षेत्रों के विद्यार्थी आते थे। यह देश का दुर्भाग्य ही कहा जाना चाहिए कि अरबों, तुर्कों, ईरानियों और मुगलों के आक्रमणों ने देश में ज्ञान-विज्ञान की इस समृद्ध परम्परा को अवरुद्ध ही नहीं किया बल्कि पुस्तकालयों में पड़ी असंख्य पांडुलिपियों को भी आग के हवाले कर दिया। कालांतर में जब अंग्रेजों ने इस देश पर कब्जा कर लिया तो उन्होंने अपने प्रशासन की आवश्यकताओं के अनुरूप शिक्षा पद्धति विकसित की और उसी के अनुसार यहाँ प्रारंभिक विश्वविद्यालयों की स्थापना की। इन विश्वविद्यालयों में ज्ञान और विज्ञान की पहल यूरोपीय जगत के हाथों में आ गयी और कालांतर में उसी का अनुसरण किया जाने लगा।

यह प्रसन्नता का विषय है कि भारत सरकार ने विदेशी आक्रमणकारियों के कारण ज्ञान परम्परा के अविरल प्रवाह में पड़े व्यवधान की कड़ियों को फिर से जोड़ने के प्रयास किये हैं। नालंदा विश्वविद्यालय का पुनरुद्धार इसका प्रमाण है।

मेरी इच्छा है कि पूर्वकाल में पश्चिमोत्तर के तक्षशिला विश्वविद्यालय को पुनर्जीवित करने का प्रयास हिमाचल प्रदेश केंद्रीय विश्वविद्यालय के रूप में होना चाहिए। यह विश्वविद्यालय केवल भारत में ही नहीं बल्कि पड़ोसी देशों के बीच भी ज्ञान-विज्ञान की संवाद रचना के लिए व्यास आसन बने, यही मेरी कामना है। इसके लिए विश्वविद्यालय से जुड़े सभी छात्रों और अध्यापकों को मिलकर भागीरथ प्रयास करना होगा और उन्हीं उच्च परम्पराओं का अनुसरण और उनके अनुरूप आचरण भी करना होगा।

सभी के सहयोग से हम अपनी इस यात्रा में सफल होंगे, ऐसा मेरा विश्वास है।

(कुलदीप चंद अग्निहोत्री)

## SALIENT FEATURES OF THE UNIVERSITY

### ADMISSION BASED ON ENTRANCE TEST

The University has introduced an All India level entrance examination for admission to PG Programmes of Study to assess the knowledge of subject of the student to pursue higher studies. Candidates seeking admission in the University shall be required to fill up only a single admission form indicating any **two** Programmes of Study.

### INNOVATIVE PROGRAMMES & CURRICULAR FRAMEWORK

Guided by the reforms agenda in higher education and learning from the experiences of the best universities of the world, the University has introduced a number of innovations, as detailed below:

- ◆ **Semester-based Academic Calendar:** All academic programmes of the University – Undergraduate (UG), Post Graduate (PG) and MPhil/PhD i.e. Research Degrees (RD) – are based on semester system, designed at par with global practices in terms of effective number of teaching days and teaching-learning inputs.
- ◆ **Programmes based on Comprehensive Choice Based Credit System:** The University has introduced Comprehensive Choice Based Credit System (CCBCS) as per UGC norms largely on the lines of the best universities of the world.
- ◆ **Programmes of Study are defined in terms of Credits:** As opposed to papers/courses in the conventional system, a student shall be required to accumulate:
  - 140 UG Credits to earn a UG degree
  - 80 PG Credits to earn a PG degree
- ◆ **Students Mobility and Credit Transfer:** The University has designed a framework to facilitate credit accumulation by its students from other recognised universities of India and abroad. The university has developed a structured mechanism to work out the equivalence and accept the transfer of credits earned by its students from other universities as per the relevant ordinance of the Central University of Himachal Pradesh.
- ◆ **Students to accumulate required number of credits from across disciplines:** The inter-disciplinary approach in the selection of courses is also followed.
- ◆ **Innovative approach in designing Programmes of Study:** Departments would not design Programmes of Study as such. Instead, they would (a) Design and offer courses, based on the expertise and specialisation of their faculty members; (b) Specify pre-requisite and co-requisites for each course offered; (c) Guide the students to make their own basket of courses to accumulate the required credits to complete their Programme of Study. Thus, the focus is on 'learner-centred approach' (as opposed to the conventional 'teacher-centred approach') to accommodate learner's needs and expectations to have wider choices in content, mode and pace of learning.
- ◆ **Computation of Credits based on a Holistic Approach to Learning:** In the Central University of Himachal Pradesh, one credit is defined as equivalent to the Total Student's Effort (TSE) of 30 hours comprising:
  - 10 hours of lectures/organised classroom activity/contact hours;
  - 5 hours of laboratory work/ practical/ field work / tutorials / teacher-led activities;
  - 15 hours of other workload such as independent individual/ group work; obligatory / optional work placement; literature survey / library work; data collection/ field work; writing of papers/

projects/dissertation/thesis; seminars, etc.

Thus, the focus is on in-depth learning driven by intrinsic curiosity and mastery of the subject by balancing the taught content with independent self-directed learning.

- ◆ **All Programmes of Study to be Modular:** All Programmes of Study in the university are designed as modular with exit and lateral entry option. While most students may want to complete their UG/PG/RD without any break, some may opt out of the Programme of Study mid-way due to their personal compelling reasons. The University, therefore, provides a structured framework for students to opt out mid-programme, whereby, depending on the extent of time spent on campus and credits accumulated by them, they will be awarded certificate/diploma/advanced diploma. For instance, if any student wants to quit study after two semesters, he/she can do so and would be awarded an appropriate Certificate/Diploma/Advanced Diploma and can re-join his/her study from this point within two years again. Thus:

- ◆ A Student Admitted to UG Programme may get:
  - Certificate (if s/he opts out after 2 Semesters with 40 UG Credits);
  - Diploma (if s/he opts out after 4 Semesters with 80 UG Credits);
  - Bachelor's Degree (if stays on to complete full 6 semesters with 140 UG Credits).
- ◆ A Student Admitted to PG Programme may get:
  - Advanced Diploma (if opts out after 2 semesters with 40 PG credits);
  - Master Degree (if s/he stays on for full 4 semesters with 80 PG credits).

Those who thus opt out would be eligible to join laterally to complete and earn their degree, if they return to the university within the next two years.

- ◆ **All Programmes of Study to be Multi-disciplinary/Inter-disciplinary:** While Departments of Study of the University are designed around basic disciplines (to enable faculty members to continue to focus on their specialised areas of research) each Programme of Study of the university is multi-disciplinary. The student is empowered to accumulate required number of credits from a wide variety of courses offered throughout the university (e.g. a student will be entitled to learn mathematics with music, physics with philosophy, and technical courses with humanities and so on). Accordingly:

- ◆ **At PG level, a student would be required to accumulate total 80 PG credits as under:**

Course Type		Credits required
Core courses	Compulsory	40
	Open	12
Elective courses	Specialisation	16
	Open	4

## CO-CURRICULAR & EXTRA CURRICULAR ACTIVITIES

### FIELD WORKS/COMMUNITY LAB

The University offers a unique programme called Community Lab to connect, interact and network with the community in Himachal Pradesh, particularly the region in which the University is located. The Programme is integrated in the academic curricula. The students are assigned specific number of households in the identified villages. They collect data, prepare report, identify intervention strategies and work with the community towards their socio-cultural, educational and economic development and in the process enrich themselves with real-life experiences.

### WORKSHOPS/SEMINARS/CONFERENCES/SYMPOSIUMS

The Departments of the university organise Workshops/Seminars/Conferences/ Symposiums from time to time on various relevant topics for the overall academic development of the students.

### EXTRA-CURRICULAR ACTIVITIES

Limited facilities for games, sports and other extracurricular facilities are being made available at the Temporary Academic Block (TAB). These include outdoor games such as Cricket, Football, Volleyball, Badminton, Carom, etc. Besides, a functional gym and facilities for selected indoor games are also being arranged.

### CULTURAL ACTIVITIES

The University has a Cultural Society, a Debating Club, a Music Club, a Nature Club, a Film Club, a Theatre Group, and a Photography Club. It has very rich corporate life.

### EDUCATIONAL TOURS/INDUSTRIAL VISITS

Different Schools of the University organise Educational Tours and Industrial Visit for the students. These are aimed at exposing the students to the practical aspects of their discipline and sensitise them about the career opportunities and through that process help students chart out their career options and strategies.

### SOCIAL AWARENESS CAMPAIGN

Students of the University proactively participate in a variety of activities leading to social awareness. These include poster competition, awareness programmes, sensitisation on social issues, organisations of debates and discussion, etc. This has led to the University forming Red Ribbon Club, which has now been upgraded and recognised as Youth Development Centre.

### BLOOD DONATION CAMPAIGN

Blood donation camps have become a regular annual feature of the University. During a year 85 donors donated blood, thus creating history of single largest blood donation drive ever by an educational institution in the area.

### TRAINING AND DEVELOPMENT PROGRAMMES

The University is working closely with the Government of Himachal Pradesh in capacity building training programmes for the teachers of government colleges in the State.
